

QUALITY POLICY

MECHELONIC ENGINEERS PVT. LTD. stresses on Quality Assurance by ensuring quality at all stages of manufacturing processes. We are totally committed to the principles and practice of excellence and will conform to the requirements of ISO 9001:2015 Quality Management system Standard.

Our overall objective is to achieve manufacturing excellence and customer satisfaction in our product and service through Best Inputs, well defined manufacturing processes, continual improvement and employee development.

To attain objectives of Quality policy Top Management of Mechelonic Engineers Pvt. Ltd. Commit to this:

- Continual Improvement in methods of operations and Technology.
- Provision of necessary resources, sufficient training to employees.
- Adherence to applicable Statutory and Regulatory requirements.
- By ensuring that the company fully meets the requirements of its customers and by endeavouring to enhance the overall service to customers to ensure that they are fully satisfied with our products and installation services.
- By ensuring that the requirements of all interested parties are clearly understood so that our products and services can be delivered in a timely and professional manner.
- By promoting the use of a process approach and risk based thinking; resulting in all processes being established, documented, resourced appropriately, monitored and measured to ensure conformance to their intended results.
- By planning and establishing measurable objectives based on its Quality Policy for the ongoing development of the company and its customers. These objectives are reviewed periodically through the management review process.
- Top management's participation in the monitoring and measurement of the performance of the QMS is focussed on acting on opportunities for continual improvement.
